

ULTRA SLIM JACKET

FLYER-UL732M8

Shaxon **Ultra SLIM JACKET** Category 6 patch cables are designed for environments where space is a premium. The slim cable design assures easy access and removal in high density patch fields. A special boot design gives this cable the advantage of a molded interface to seal and protect the pairs while having minimum projection at the plug/cable interface.

Features include:

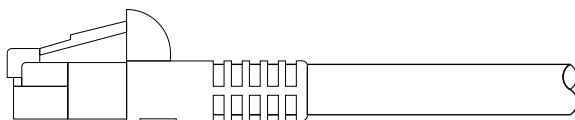

- 0.115 in cable OD
- CM rated jacket
- Flexible, stranded 32 AWG UTP
- Flush boot design
- Overmold with minimum boot projection
- Superior bend radius
- Backwards compatible with CAT 5e systems
- Meet or exceed CAT 6 specifications.
